IASPAW (International Association of Self-Proclaimed Artists and Writers) is a registered 501(c)(3) nonprofit organization that offers Creative Souls an opportunity to share their work on its website and at its events to foster global harmony through the arts.

Founded on the premise that many talented artists and writers go unrecognized and unappreciated for their creative contributions to society, and thus, need a venue for artistic exposure to promote their work.

TABOIS GALERIE collaborates with IASPAW to hold art exhibitions that provide exposure for self-proclaimed and emerging artists who are often unrecognized and unknown to the public. Please visit our website to see the contributions of our Creative Souls, thus far: <http://www.iaspaw.org/creative-souls>. Also, you can view TaBois Galerie's prior exhibitions here: <http://www.ctabois.com/online-galerie-d-art>. In addition, we seek to continue fostering global harmony through the arts by displaying artwork by a self-proclaimed/emerging and established artist on a rotational basis in the lobbies of the buildings in our community because who doesn't want original artwork in their lobby?! I will be in touch: [ctabois@ctabois.com](mailto:ctabois@ctabois.com).
